Q-Park Résa Functioning

| Arrival to the parking

When you arrive to the entry gate of the parking (at the time of your reservation), present the QR code provided to you during your reservation before the optical scanner. The ticket corresponding to your order is issued. Take your ticket and keep it, you will need it to open pedestrian access when you come back. Park your vehicle where you prefer, except on the reserved places.

In case of a late arrival, use call buttons on the night gate in order to contact the duty officer; he will open the gate for you to access entry barriers.

| Secured pedestrian access

In order to enter, when you come back to the parking, insert your parking ticket into the scanner located next to the door of pedestrian access.

| Exit from parking

Insert your ticket into the exit gate in order to leave the parking. In case of an anticipated arrival and/or a delayed departure, the exceeding can be paid in the automatic checkouts or at the exit gate by using a credit card or a Total GR card.

| If necessary

Press the call button on the automatic checkouts, entry or exit gates, the duty officer will respond to you 24h/24.
