Q-Park Process

| The car park

The car park is situated in immediate proximity to the Airport Terminal of Brussels South Charleroi Airport and gives direct access to the departure hall. This multistory car park offers parking spaces on multiple levels. A few steps from the car park, you will find the elevator which brings you to the departure hall where you can directly proceed to Check-In.

| Arrival at the car park

When you arrive at the car park entry barrier (at the time indicated of your reservation), present the QR code in front of the optical reader. The ticket corresponding to your order will be issued. Take your ticket and keep it with you, it will open the pedestrian access when you return to collect your vehicle. Park your vehicle where you wish.

| Leaving the car park

Insert your ticket in the automatic barrier machine to exit the car park. In the event of an early arrival and/or late departure, you can pay the excess amount due at the automatic ticket machines or at the automatic barrier machine using your bank card, credit card, Maestro or Bancontact.
